To The Class Of 1985

The years in high school
are like the sand,
And the memories bind us
hand in hand.
The sand is piled
through the years,
The laughs, the dreams,
and the tears.
Slowly something
starts to appear,
It's being built
with love and care.
Everyone has a castle
in his mind,
But the class of "85"
has one of a kind.
Each person adds
a brick to the wall,
And without one, the
whole thing would fall.
The memories we will
all treasure,
The good times and spirit
no one could measure.
The years
may wash them away,
Like the tide
at the end of the day.
But we know they'll
always be there,
Those things
special and dear.
And those memories
that we cherish,
Will surely . . .
never perish.

1985 Dedication

The class of 1985 proudly dedicates our yearbook to our class advisor, Mrs. Naomi Cordell, in appreciation for all of her help. Throughout our years at Attleboro High School, she has been both an irreplacable advisor and friend. She proved herself invaluable in helping with various activities such as proms, fundraisers, and in the building of our floats. The greatest part of our success as a class is due to Mrs. Cordell. As one student said, "The class wouldn't be the same without her." Again our thanks and best of everything to Mrs. Cordell.

Always lending a helping hand

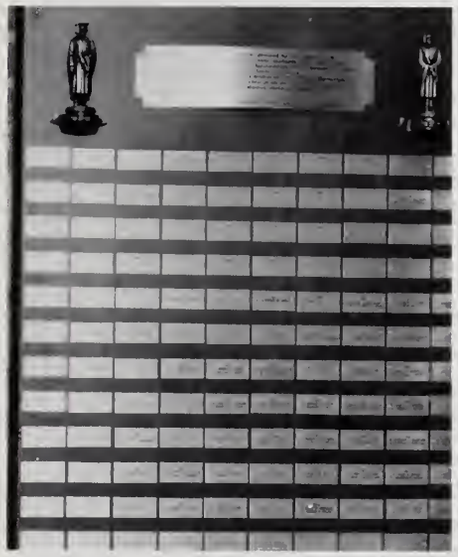
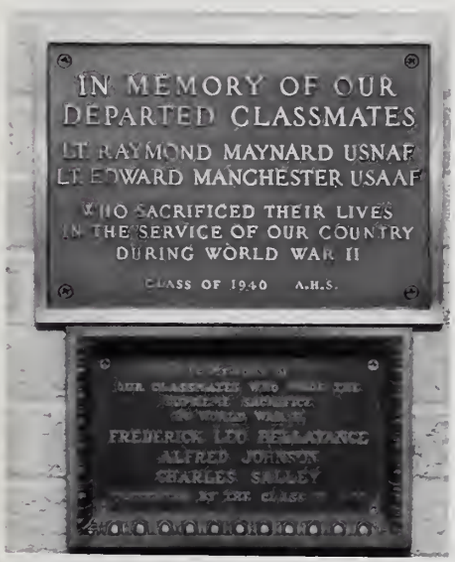
PAST MOMENTS



Valedictorian and Salutorian Plaque.



In Memory of:

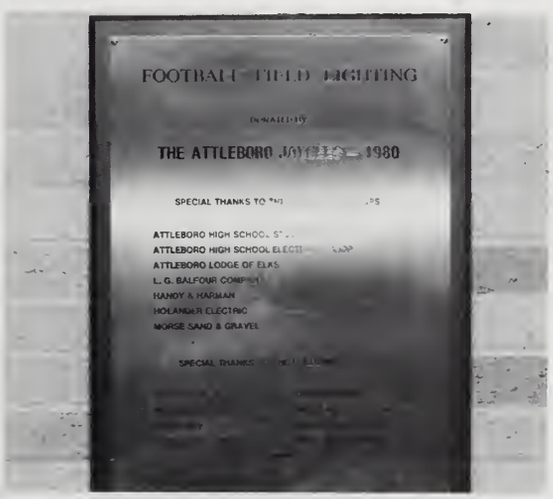
Tiffany Plaque.

Over the years, the scholastic and athletic accomplishments of the students have not been chronicled in Attleboro. Trophies, medals, awards and honors have been lost, buried, or relegated to attics or basements. School buildings have been closed and plaques, citations and trophies have been destroyed, stolen or disbursed throughout the community.

The Attleboro Archive's program has completely reversed the situation described above. The Archives have proposed to restore student spirit and public confidence in the Attleboro public schools through recognition of the achievements of past and former classes.

With the establishment of the Archives: community and business people, as well as faculty and students, have all cooperated to establish the Archives by arranging for the construction and placement of display cases throughout the Attleboro High School.

The community has come to recognize the importance of the Archives' work. They have formally and publically identified and recognized the heritage of the Attleboro School System and community. They have also restored public confidence and encouraged student spirit concerning the Attleboro High School.



Football Field Lighting Plaque

A.H.S Archives Plaque.

Mr. Harold Berberian.

Harold Berberian is the spirit behind the Attleboro High School Archives Center. Without the energy, drive, and persistence of Mr. Berberian, important memorabilia and recognition of significant events would not have been captured for future reference.

Since 1959, Mr. Berberian has worked for his dream. His dream was to design and implement an Archive's Center Program that would sustain student spirit and confidence in the Attleboro Public Schools. This would be done by the highlighting of the achievements of students of the Attleboro High School. Through Mr. Berberian's efforts, we now have an Archive's Center which chronicles the academic and athletic achievements of students of the past graduating classes of the Attleboro High School.

It is a deserved honor that we, the students, set aside a page in our yearbook to honor Mr. Berberian's work and persistence. Many people ask, "What can one person do?". They should ask this question of Mr. Berberian.

"Dreamers dream, doers do!" The Attleboro High Senior Class of 1985 members *are* doers! From the intimidated freshmen we were four years ago, the Class of "85" has matured into perhaps the most admired class to pass through Attleboro High School, definitely the most accomplished! In both our sophomore and senior years we showed our superior enthusiasm and creativity in winning both the Float and Spirit Week competitions.

The senior girls can be compared to no others, winning the Powderpuff Football Games as juniors and seniors. It was amazing to see how they could be super athletes on the football field and yet a week later be such beauties at the Prom! To top that accamplishment off, the football team soared to a 8-1-1 season. The exciting Thanksgiving Day win brought "HILDA" home and tremendous pride in our football team back after a six year absence.

Looking back over our four year social calendar, one cannot help but remember our Freshman Social and our Sophomore Gathering. How we have all changed from then to now! Our Junior Prom on April 14, 1984, at the Holiday Inn in Providence, was a memorable evening and indeed quite "alarming": It was so difficult to choose a queen and her court among all the fine choices in our class. Our Senior Prom on November 16, 1984 was held at the Sheraton Inn in Mansfield. That Friday night was filled with such special moments for each of us that will be remembered far years to come.

The Class of 1985 has many faces: the scholar, the athlete, the tradesman, the artist, and also the humanitarian. In December our school adopted two families who because of our treasury's donations of toys and food had a very Merry Christmas.

As our Senior year comes to an end, I feel honored to have represented the Class of 1985 as President. I thank all who have devoted their time and effort in support of our class. I am proud of every individual's achievements which have combined to make our class a success. As our union separates, I wish you all the drive to achieve, the means to be successful, and the peace of mind to be truly happy. In the years to come, may we meet to share great experiences and renew the binding friendships that made us the great united Class of 1985.

JASON CUPP, Senior Class President.

OFFICERS (L-R): Cathy Smith (secretary), Lori Whitehead (treasurer), Mrs. Cordell (advisor), Jason Cupp (president), Mr. Pand (advisor), Stephanie Antosco (fifth officer), Kelly McCann (vice-president),

REPRESENTATIVES-Row 1 (L-R): Anne Boyle, Nancy Carty, Melanie Culgin, Mark Chiciane, Stacey Henriques, Mark Nadaw.

STUDENT GOVERNMENT DAY

On Friday, April 12, the thirty-eighth year of Student participation in Student Government Day began. Students from across Massachusetts get to play the role of an elected or appointed official to "run the State Government for a day".

The students are required to attend workshops before the student Government Day and the day itself. The State Student Government Day assignments were determined at a workshop by random drawing. The delegate submits proposals for legislation to be researched and debated on Student Government Day. This process teaches the students how the governmental process is run, and how debates are held.

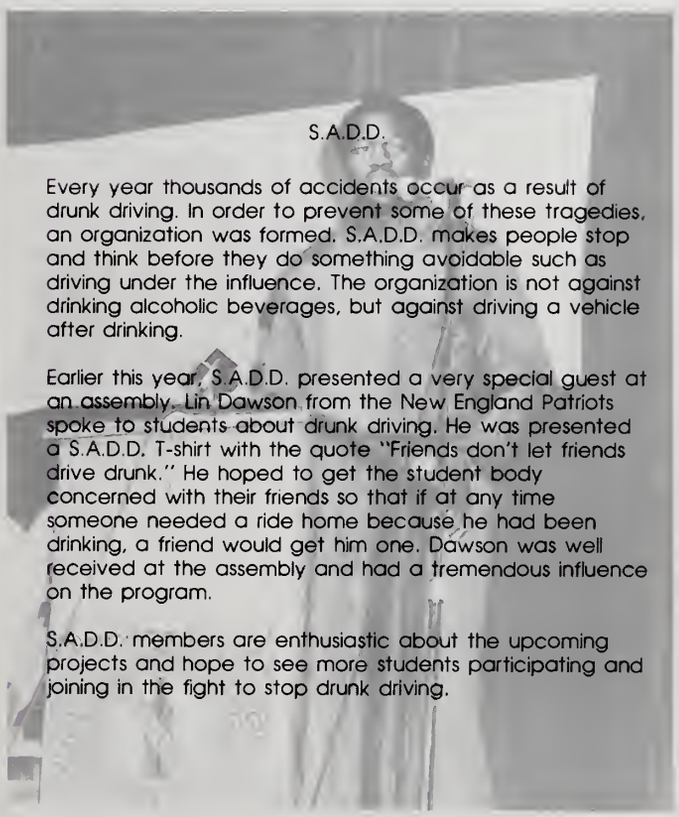
FOOTBALL 1984

Our congratulations are offered to the 1984 football team for their outstanding season with a record of 8-1-1. They tied our city rival Bishop Feehan while losing to last year's state champions, Dartmouth.

Coach Hanewich led the team to their first Thanksgiving Game victory in six years. He sparked a great new enthusiasm in the school as seen by the nine thousand fans who came to watch the game on November 22.

The support of the student body was demonstrated all year by cheers, along with an occasional attempt at "The Wave" led by Brian Legg. When things were not looking good, Hanewich's famous "Hold that Line" cheer could be heard by students and fans.

The team has always worked hard, but this year we are proud to say that it payed off and put Attleboro back on top!

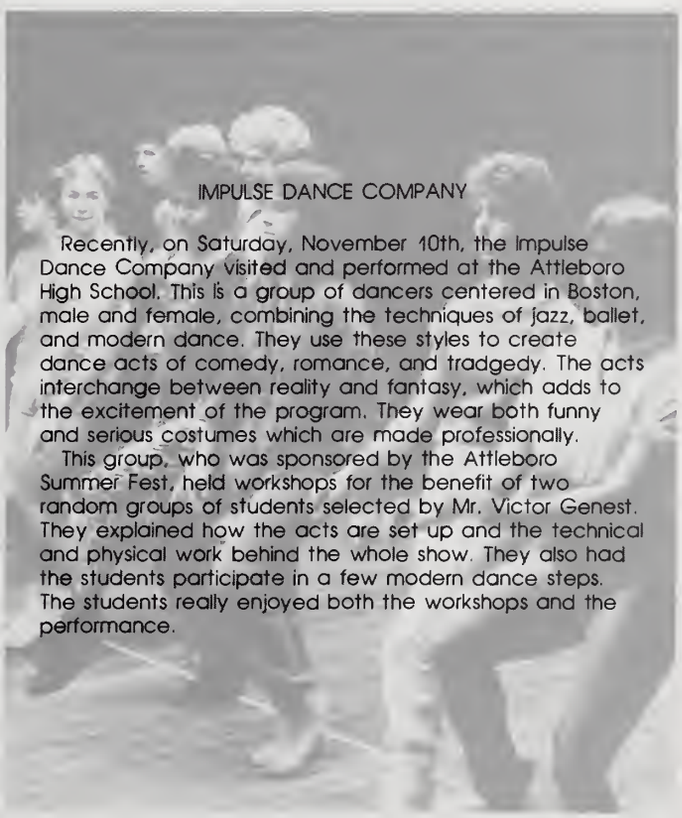


S.A.D.D.

Every year thousands of accidents occur as a result of drunk driving. In order to prevent some of these tragedies, an organization was formed. S.A.D.D. makes people stop and think before they do something avoidable such as driving under the influence. The organization is not against drinking alcoholic beverages, but against driving a vehicle after drinking.

Earlier this year, S.A.D.D. presented a very special guest at an assembly. Lin Dawson from the New England Patriots spoke to students about drunk driving. He was presented a S.A.D.D. T-shirt with the quote "Friends don't let friends drive drunk." He hoped to get the student body concerned with their friends so that if at any time someone needed a ride home because he had been drinking, a friend would get him one. Dawson was well received at the assembly and had a tremendous influence on the program.

S.A.D.D. members are enthusiastic about the upcoming projects and hope to see more students participating and joining in the fight to stop drunk driving.



IMPULSE DANCE COMPANY

Recently, on Saturday, November 10th, the Impulse Dance Company visited and performed at the Attleboro High School. This is a group of dancers centered in Boston, male and female, combining the techniques of jazz, ballet, and modern dance. They use these styles to create dance acts of comedy, romance, and tradgedy. The acts interchange between reality and fantasy, which adds to the excitement of the program. They wear both funny and serious costumes which are made professionally.

This group, who was sponsored by the Attleboro Summer Fest, held workshops for the benefit of two random groups of students selected by Mr. Victor Genest. They explained how the acts are set up and the technical and physical work behind the whole show. They also had the students participate in a few modern dance steps. The students really enjoyed both the workshops and the performance.

FOOTBALL

"To steadily build a foundation for a winning tradition", said captain Steve Pedersen, about the goal of the football team. The four captains all feel that in order to develop a winning attitude throughout the student body, they would have to continue their winning season. Captain Bobby Arsenault feels, their accomplishments would include building a better image for the school's pride by developing a winning spirit. The team feels that Coach Hanewich brings out the maximum ability in his players, and also improves characters among the team. The captains feel that the only important award to the team would be to come back with the spirit and pride that goes along with a winning season.

BOY'S GYMNASTICS

There ore mony tolented gymnosts, such as J.P. LoRosee, Keith Rooks, ond Tom Borrette. However, the key to much of the teoms success comes from the underclossmen who performed well ot the beginning of the seoson when they were needed the most because of injuries to mony point scorers. The teom hos olreody broken the school record in All Around, but "they couldn't hove done it without Coach Mortin," soid co-captain Keith Rooks.

GIRLS GYMNASTICS

When asked about the season outlook, co-captain Kerry Levesque said, "We have done well so far. There is a great possibility of some individuals qualifying for the states." The team looks strong as there is a lot of depth and talent in the underclassmen. Outstanding gymnasts include Korey Goodrich, Kerry Levesque, Tara Dolan, and Chris Pierce. Co-captain Chris Pierce said, "The beginning of the season brought about a lot of injuries in the veterans. The underclassmen really stood out." The pressure was really on this season, as Coach Martin had to coach both boy's and girl's teams, but he did a tremendous job. The season looks positive for the girl's gymnastics team.

The tri-captains seem to share the same feeling that although they may not have many skilled players, they have greatly improved their team spirit. Coach Perriera's coaching ability has helped the players to play a better game. Greg, Steve and Mike all express their wishes for a better season to next years team.

BOY'S SWIMMING

"The outlook for this season is very good," said co-capt. Steve Proia. "We are one of the strongest teams in the conference." Tri-captains Daryl Cavaca, Steve Proia, and Chris Carignan all hope to increase student interest in the swim team. They have already placed 3rd in the relay carnival, a great accomplishment from last year's 6th place, and their medley relay team is very close to the school record. "Coach Bonneville has been working us very hard and keeping us in line," said co-captain Daryl Cavaca. "He is very talented and knowledgeable and keeps the team spirit high." The opinion of all three captains was summed up by co-captain Chris Carignan, "we have done our best to lead our team. We are really proud to be captains."

The team placed second in the Division I Relay Carnival with the help and support of Coach Dentch. According to him, "you can't say enough about talent on this year's team." "Our hopes for the states are really high," said co-captain Bonnie Milburn. They feel there are only a couple of competitive teams in their league. For the team to go to the states, players like Chris McAndrews and Diane French have to keep up the good work in spiking. Bonnie Milburn and Melissa Pineo still have to maintain those superior serves.

Coach Riley has put a lot organization into the team. "He has always been there to help make a better team overall," said co-captain Melissa Pineo.

YEARBOOK YEARBOOK YEARBOOK

Each year, it is the responsibility of the yearbook staff to produce the school's yearbook. This task is completed through the cooperation of commercial design, the class officers and advisors, and many individual members of the senior class who sold ads to finance the project.

Each year, the editors attend a summer camp to learn proper technique and get new ideas. A student photographer also attends. This year the school sent Kelly McCann, Michelle Geddes, Judy Thibeault, and Richard Field as representatives at the yearbook training camp. Through the cooperation of all, the yearbook is a success!

A final note from the editors . . .

After months of hard work, the 1985 *Tattletale* is finally finished. The staff has done its best to tie together all of the memories we have shared during the four best years of our lives, especially the fun and excitement of our senior year. We hope we have served you well by giving you a rememberance of the good times which A.H.S. has given you.

This book would not have been possible without the invaluable help of our advisor, *Mr. Donald Frederick*. His patience and hard work were greatly appreciated. He has been not only a good advisor, but also a great friend.

In addition, much credit is due to our *Josten's* Yearbook representative, *Mr. Daniel Smith*. His knowledge and creativity inspired us to create a unique yearbook.

Much appreciation is also given to our photographer, *Mr. Gary Melino* of *T.D. Brown Studios*. Due to his flexibility and imagination, we were able to present our class at its best.

We would like to also thank *Kerstin Pilblad* for her out-standing artwork on the cover of the book, as well as throughout every section. Her creativity is truly extra-ordinary.

Also, much gratitude is due to the entire faculty for their patience and flexibility during our inconvenient production schedule.

To the Class of 1985:

We hope that your experiences at Attleboro High School have developed you to your full potential. May you all strive to achieve the goals which you have set for yourselves, and reap all the rewards which you deserve. In the future, you can look back at your years at A.H.S. as that which has built you up to be the unique, special people that you are. This book holds a lot of memories for us, we hope it does the same for you.
